

## Welcome to the July HGMA/RFA newsletter

It has been a busy spring and early summer with students who have attended our course programmes gaining new skills and confidence and who are now exploring and enjoying the hills and crags with these skills that they have learnt from us. We were fortunate to assist some new members from Bolton Mountain Rescue Team on a 2 day basic climbing programme in May, this followed on from when 2 members attended our level 2 First aid course in March of this year.
